2015MIECF – Invitation for Quotation and Proposal

For seven years, international government leaders, businesses, professionals, financial institutions, investors and non-government organisations have converged in Macao to actively participate in the collective effort to address environmental issues of global concern.

The Macao International Environmental Co-operation Forum & Exhibition (MIECF), an innovative event hosted by the Macao SAR Government to promote international environmental co-operation, is also in line with China's efforts to achieve specific objectives for a low carbon society, as well as raise public awareness and improve living conditions for all mankind.

Since its inception in 2008 in Macao, MIECF has grown from strength to strength and is regarded a success by delegates, exhibitors and the international community. The 8th MIECF will be held from 26 to 28 March in the Venetian Macao-Resort-Hotel.
