

金管局推出全新系列牛年紀念幣

澳門金融管理局於 2008 年推出全新系列之農曆年紀念幣，牛年紀念幣為系列的第二套紀念幣，秉承系列特色，同時發行一枚重 7.776 克的精裝金幣、一枚重 31.1 克的精裝銀幣及一枚重 5 安士的精裝銀幣。三款紀念幣之設計圖案相同，但色調不一。牛年紀念幣正面刻有生肖動物及色彩繽紛的花卉圖案，背面圖案則是被列入世界遺產的澳門歷史建築—港務局大樓。

此套限量鑄造及每年均採用不同正背面設計之農曆年紀念幣在同類之紀念幣中，可算十分獨特和罕有，所以具有極高之收藏價值。

The Monetary Authority of Macao (AMCM) launched a new series of lunar year commemorative coins in 2008 and the Year of the Ox commemorative coins are the second collection to be released. Adopting the standard features of this new coin series, the issuance of the Year of the Ox coins will include a 7.776 gm gold proof coin, a 31.1 g silver proof coin and a 5 oz silver proof coin. All of the three coins bear identical design but possess different colour scheme. For the Year of the Ox coins, the obverse side of the coin features the pattern of the zodiac animal against a colourful flowery background and on the reverse side, the image of the world-heritage-listed historical monument--the Moorish Barracks is depicted.

This series of lunar year commemorative coins, with limited mintage and varying designs for both the obverse and reverse side for each year, is extremely unique and rare for coins of this category and is bound to become a collector's item.

Subscriptions for the 2009 Year of the Ox commemorative coins will be accepted between December 1st and 12th of 2008 on a first-come-first-served basis.
